Dear Mr. Zeigler:

Re: Final Approval, Zeigler Gilsonite Mine and Reclamation  
Plan, M/047/013, Uintah County, Utah

The Board of Oil, Gas and Mining approved the collateral bond of \$69,100 for the Zeigler gilsonite operations in Uintah County, Utah on July 19, 1988. The Division, hereby, gives final approval to the Zeigler Mine and Reclamation Plan.

Enclosed please find a copy of the signed Collateral Bonding and Indemnity Agreement for your records. The letter of credit which serves as the collateral bond has an expiration date of May 2, 1989. Please be sure and extend this expiration date at least 90 days prior to its expiration (i.e., by February 2, 1989). If possible, the Division would prefer to have the letter of credit extended for a five year period rather than one year.

Thank you for your cooperation.

Sincerely,

Lowell P. Braxton  
Administrator  
Mineral Resource Development  
and Reclamation Program
